

AT LAST

This safe place love built, my heart is new
Mysterious abundance
And I'm ready to believe it's for me

Now look what's happened, I've come alive
Because love is superior
All my fear is erased as I lean into the light

Wisdom has fulfilled my hopes
It's sewn a set of wings on my back
Grace appointed me with favor
Now I'm able to see my hope is rising
I'm living at last

Now I rush to a brave faith, a smiling day
Unfamiliar, but wonderful
There's plenty of time in my heart

When there's no more waiting, and you can't
be held down
Life follows instinct
Like rivers turn to oceans wide
These wings are spreading high

Now there's no more waiting
And I won't be held down
