

Individuals with Eating Disorders Needed

Men, women and adolescents with anorexia nervosa, bulimia nervosa or other eating disorders are invited to participate in a study about the neurological and psychological aspects of eating disorders. *This is not a treatment study.*

Inclusion Criteria:

- Males and females age 18-55 years old
- Males and females age 13-17 with a parent or guardian's permission to participate
- Outpatient or partial hospitalization patients
- Capable of providing informed consent
- No non-removable metal in the body

Study Participation involves:

- Clinical Interview
- Questionnaires and short quizzes
- MRI scans
- Compensation available for your time

For more information or to enroll in this study please contact Sunbola Ashimi, Ph.D. at 214-648-4617 or via e-mail at edresearch@utsouthwestern.edu.
